“ *God saw you getting tired and a cure was not to be so he put his arms around you and whispered, "come to me". A golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us he only takes the best. Ms. B. It was a pleasure to work with you and chat about things that are now fond memories, thank you. May you rest in grace prayers up blessings down, now you receive your eternal rewards that only God can give you. My heart and thoughts are with you and family God bless.*

“ Belinda was a great person to work with. The last request I received from her was October 1. She was looking forward to retirement and was always ready to assist in any way. The definition of work ethics/hard worker has her picture beside it. Belinda will be missed and I send prayers to the entire Chappell family. Your friend from Overnite, UPS Freight and now TForce Freight. God Bless. Rest easy my friend, Rest easy.

Belinda was a joy to work with, never called her that she went over and beyond to help me. Enjoyed our conversations so much. RIP

“ *Belinda was a good friend, hard worker and an exceptional person. We worked together and were/are friends outside of the business environment. Her laughter, motivation and all around caring are just a few things that come to mind. But her SMILE and her GRIT will stay with me always. The Love she shared, her Grace, Style and Experience cannot be replaced-ever. But, she can travel now without worry, in peace and song.*

My deepest sympathies to her family, co-workers and friends. A life ended to soon. A good fight done. A legacy of love, joy, pride, honor and family will live on. God speed to my dear friend Belinda. Prayers for her family.

Rest in Peace.

*Sincerely,
Cindy Holmes / VWR*
