“ *Dear Henry Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.*

“ Sorry for the lost of your love one . May the God of all comfort (1co 1:3-4) be with you at this difficult time. Also know that he says at Rev 21:4 that he wipe the tears from our eyes and death will be no more.

“ Mama and me looked forward to seeing you Miss Henry and our pal Ben. We became a family at dialysis. Ben was so funny. He was watching even when others thought he wasn,t. Even though he left lawrenceville dialysis we always remembered him. Ben was very smart and showed it every day. He was one of the most well dressed and clean guys at dialysis. We carried him in our hearts. we are so sorry that you his family lost him because he was indeed a treasure. Much Love From The Jacksons, Gertrude and Terry
