“ I know Ben from way back at Delta. Anytime we saw each other we would stop and talk. We never worked together but met back when we were in our 20's out here. R.I.P.

“ Sending love, prayers and condolences to the Latham family. Ben was such a special person and family meant everything to him. From the moment I met him, he was always kind hearted, generous , loving and just an all around good guy. I will definitely miss his friendship but he will always hold a special place in my heart.

“ *Benny, Linda and Christi, thank you for sharing our younger cuz Benji with us. Even as a young man, Benji was strong, confident and very likable. I prayed and asked the LORD to give you peace and comfort of a far more lasting kind. I prayed you stay near Him during these difficult days. He sees you and knows your sorrow and your pain. If you would lean to Him and trust Him, He will restore your joy again. Love You All, Cousin Bobby and Trish Williams*

“ *Going to miss Ben we both started at Delta in 1995, We both ended up working in different areas after a year, but it would not matter if it was a few months or years when we would see each other, Ben would greet me with a smile and have something funny to say, as if we just seen each other the other day. A few years ago we both ended up working on the same side of the building, we were able to talk more. My prayers go out to his family.*
