“ I love you & you'll b missed you Mr.T . . Rest well , you were one of the BEST fathers, grand fathers & just overall BEST MAN ... you taught my mother & my brothers & sisters “HARD HEAD MAKE A SOFT BEHIND” lol I'm pretty sure if you knew him you knew he owned that saying! you taught me how to tell when the sun will come up & when it will set ... I remember so much now that you're gone & wish I could've said goodbye but it's okay I'll hold on to all of the memories I have of you <3 we gonna be there every step of the way ! I know your pride & joy is my Auntie & your grandchildren ... I know you're proud of your creations. We love you till the end of time & beyond. This man was RARE! You'd never miss a meal as long as he was around. Till next time Big B! We love you.
