“ My dear Bennie, your life was a blessing and you will always be in our memories; how you were shows who you were as a person. You and I grew up and matured together, through the good times and the not so good times but by the grace of God we got through them all and still remained friends. You are loved by so many and will be missed. My sincere condolences and deepest sympathy to your family, friends and all who loved you. Sleep peacefully my friend, I am grateful that I was a part of your life. Marva Gooden 🕊️❤️

“ Bennie "BJ" Foy, my confidant, my father figure, my great friend you will be so missed by the Smith family. I'm a better person because of you Bennie. When I met Bennie in 1997, him & Janice claimed me as their own and have showed so much love and support to me and my family. Janice, we love you.

heart is broken in a million pieces, but I'm grateful to God for your  
life, example and our relationship! I know you loved me and I'm glad  
you knew I loved you. You were the BEST big brother a girl could  
have! I prayed that daddy would be waiting at the Pearly Gates to  
meet you. Rest Junior! You've earned your crown! You can now  
hear God say "Well Done Thy GOOD and FAITHFUL Servant". I will

“ **\*\*In Memory of Papa Foy\*\***

*Papa Foy, you will truly be missed. I remember meeting you when I started my first job at Buypass, 1997 and from that moment, you became a true mentor to me. You taught me so much, not just about work, but about life. I often said you were like a father to me while I was away from home, and over time, you became my best friend, offering guidance without judgment.*

*We shared many experiences, both on and off the job, and through it all, you were a true king. Your wisdom, kindness, and friendship were gifts that I will cherish forever.*

*To Janice, thank you for sharing him with us. Rest well, my friend. Rest easy until the day of resurrection. Your friend Carlton Walker*
