“ *Mr. Doe was a great friend, I can still hear him now cracking me up with jokes. He was always real no matter what kind of energy was around him, nothing could get to him. Unless something has gotten to you. He cared so much... It's real hard seeing someone you loved and cherish as a true friend, leave unexpectedly. I love you Doe... Much Love 100 🤝*

“ Mr. Doe was truly a great friend and coworker. He will be greatly missed. One of my fondest memories was entering the building each morning, shouting out “Mr. DOOOE Where are you?” This would loudly echo down the hall. His response would be, “Back here in the back!” This is how we started our day. Ms. Few would state, “Oh, Lord here comes your son.”

I thank God for allowing our paths to cross. I would like to thank the Doe family for sharing your husband, father, uncle, and sibling with me. I will keep you all in my prayers.

“ My Uncle Benny was a kind man who was happy to help. I really appreciated what he did for me and my husband when we first came to Georgia. His willingness to help will never be forgotten. It is well with my soul because I know he is resting with our Heavenly Father. Peace and blessings to the Doe Family. God will never leave you nor forsaken you. 🙏❤️

“ *Mr. Doe was such a loving, caring and helpful work colleague. He never complained when you asked him to help do anything. If he was busy, he would always say give me a few minutes and I'll take care of you or we'll get it done, don't worry. Every time I saw him, we would always joke about him bringing me a plate of food or he couldn't enter the front office missing his laughter. He will be truly missed on all the hallways he walked daily. I'm praying for the strengthening and healing of your hearts.*
