“ Benny we miss you so much! You were my first born and I struggle with this loss so much! We pray that you find the peace in heaven that was not afforded on earth. Please tell Uncle Loyal hi and that we miss and love him as well. We all miss you deeply but will make certain that your name will always be a reflection of positive light. You walk this earth and gave more smiles than tears. For those of us who really knew you. I'm so grateful for my last time to touch, hug and kiss you. Until we meet again, we love you. Me, Addis, Ayzha, Jai and Santi

“ *How inadequate are words to express our feelings of sadness over the death of your Son*

*, Benny! We are without words of comfort. Don't forget the joy from knowing the happiness you offered Benny during his lifetime, and also remember as you grieve, that he's really only as far away as your heart, your soul and your dreams. The day will come when God will ease your pain. So, until that day, please let us help you in anyway we can.*

*You are always in our Prayers.*
