“ Pastor Holmes, you meant the world to me. I've always admired the God in you and the love you shared to all who encountered your presence. Thank you for speaking life into my life through out the years of knowing you. To be absent from the body is to present with the Lord. Rest well my beautiful Pastor. You will be missed! 💕

*My sincere condolences to the family. The thought of such wonderful times growing up at a time when family was everything and cousins stood side by side. Our lives were so enriched because we had each other and always had each other's back no matter what, good times and bad. The silly childhood stuff we did that kept us bonded is priceless. Cousin love always. Anna Middleton Baker.*
