“ We will truly miss Berneice. She was my BFF in college and remained so after college until the present. After marrying my husband Melvin, she became his friend also. She was Godmother to our daughter Camille. We were always welcomed in her home. We shared many memories together. To the family, she loved you dearly and always expressed that love to me. Her heart was broken when Keylon passed away, but was doubly fulfilled with her love for Jervison and her granddaughter Imani. There was never a conversation between us where she didn't express her love for those two. she loved her job and the friends she made along the way. I can envision her in heaven with her family and already transporting the little angels around. All of her family and friends will truly miss this beautiful soul. Rest in Peace my dear friend.

“ Dear Johnson Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “
