“ Mrs. Bernita R. Sawyer I want you to know that you meant so much to so many of us and I thank GOD that you are now free from all pain. I also want to acknowledge youu as you were the absolute best travel agent when my family and I decided to travel back to our homeland (Honduras, C.A.) in 1996. “ Unfortunately I did not get to meet Mrs. Sawyer before her Alzheimer’s diagnosis. When I met her she was very sweet and complimentary to me. She thought I was her cousin. :-) I do know that when she was well, she must have been a woman who showed love, compassion, strength and determination because she raised a daughter who has all of those characteristics. I also know that she was dedicated to her family because Mr. Sawyer returned that “deposit” in full by the care he gave her over the years. Losing a person who poured so much into her family, leaves everyone who knew her with a bit of emptiness. I pray that God gives you all everything you don’t even know you need during this time. I love your family and I’m so sorry for your sadness.

*I am truly saddened by the death of my dear friend. I first met Bernita in
1963 as we went to jail together in Birmingham as we protested for
freedom and justice. We would attend all of the mass meetings and
group meetings with Dr. King and other civil rights activists. We later
attended Alabama A&M together and continued our fight there as well.
Bernita was a beautiful loving and kind lady. Rest with our Lord and
Savior. You will be missed.*

*She was truly bone of your bone and flesh of your flesh. I can't even
imagine what you are going through, you and your family but I do
know, God got you all in the palm of His hands. I pray He will continue
to strengthen and comfort you during the time of grief. I pray He will
wrap away every tear from your eyes and fill you with the peace that
surpasses understanding. Please know that I love you my brother in
Christ and that you and your family are in my prayers. May God
continue to keep you strong. Your choir member, Jacquie.*
