“ I met Al and Tina about nine years ago by way of my neighbor, Mr. Eugene Elder. They were my neighbor's home improvement team. They were referred to me with high praise for their talents. I then referred them to another neighbor. They always did exceptional work. They were hilarious together, telling stories of how they met, and about different life events. They kept me laughing. Tina was a beautiful person and will be greatly missed. My sincere condolences go out to Al and the family. I pray that God's grace and mercy comfort you all through this difficult time.

With Love,
Robin James

“ My name is Georgiana Gray. I met Tina several years ago, as part of the repair crew with Al. They were referred to me thru a mutual friend. And, I in turn referred them to someone else. They were hilarious together, and could fix anything. She always had a smile and laughed, a lot. We always had lots to talk about. It took my breath away, when I heard that she had passed. She loved her family and working. She will be missed. Praying for her family and all those who knew and loved her.
