“ *Ma will forever be missed. Growing up with her boys for over 50 years, she was our Ma as well. Her love, kindness, patience (especially when we were young), and that infectious smile and laughter will always be remembered. May she Rest in Peace. We wish the entire family peace and comfort in this time of deep sorrow. With all of our love.*

“ Fly safe to heaven Aunty Beryl. We will all be following you with our love.

From your loving nephew Leron with all my heart. Will miss you dearly!

At birth we board the train and meet our parents, and we believe they will always travel by our side.

As time goes by, other people will board the train, and they will be significant, i.e. our siblings, friends, children, and even the love of your life.

However, at some station our parents will step down from the train, leaving us on this journey alone.

Others will step down over time and leave a permanent vacuum.

Some, however, will go so unnoticed that we don't realise they've vacated their seats.

The train ride will be full of joy, sorrow, fantasy, expectations, hellos, goodbyes and farewells.

Success consists of having a good relationship with all passengers requiring that we give the best of ourselves.

The mystery to everyone is that we do not know at which station we, ourselves will step down.

So we must live in the best way, love, forgive and offer the best of who we are.

It is important to do this because when the time comes for us to step down and leave our seat empty we should leave behind beautiful memories for those who will continue to travel on the train of life.

I wish you a joyful journey.

“ Auntie Beryl took me to my first casino, my first Bingo game. She would cook breakfast for me whenever I visited her on the weekends. She was always smiling, always ready with some "Ole talk". I will miss her smile, her laugh and her jokes.

Love always from your "Misewable"... Camille
