My sincere condolences to your family. Bessie was humble, caring, and thoughtful. I have know her more than half life as she was a member of the Metro Social and Saving Club. I would talk to her every month to give her club meeting information and she would always ask me about my family. Rest well Bessie!

To the family of Ms Bessie Carlton, you have my deepest sympathy during this difficult time. Bessie, I met three years ago when I joined the Metro Social and Savings Club. She was always the same, uplifting, humble, and I never heard her complain about anything, she was always positive. Bessie will be missed and family stay encouraged because weeping may endure for a night but joy comes in the morning
