“ Dear Faulkner Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Although a good heart has stopped beating and a faithful soul has ascended to heaven; prayers and fond memories are what we have to ensure we'll never forget Aunt Bessie. May she have eternal rest.
