“ Hey Tina I'm going to miss you so much we had a good time on the 2019 Ms. Vee s Cruise there were 115 of us and on the cruise you came to me and said Ms. Vee I heard my family are worried about me then I'm like Tina we got to do something about that so I said to her let's do a view and send to them and post it also so they can no that you are fine ok, she said oh that's a good idea and we did that but Tina you was a good person a sweet person very nice and caring person I will miss you not only from the traveling group but in general just miss you I love you and I will be waiting to see you again soon.

Love you

Ms. Vee
