“ *Mama Green was like a second mother to me after the lost of my mom. She made sure that I kept pressing on with my relationship with Jesus. I will miss her dearly.*

“ *While I only had one opportunity to spend time with Mrs. Green she made me smile and feel the warmth of her loving spirit. She also made laugh! That memory will always be with me. I thank God I will always have that! 🙏*

“ *Betty, I'm going to miss you. I remember when my husband and I came to visit you all, spend the vacation there we ate good and stayed up late and you baked cookies. Talk about the Lord and you were always encouraging. Bro. Green played the guitar and I would sing. All I can say is I'm going to miss you so much. I love you, but I know that you are home with the Lord ,resting in peace.

“ Bettie and I have been friends over 30 years; We bonded instantly and she was a loving , trusting, funny and spiritual friend. She was a mother to many especially her students. She taught me a lot naturally and spiritually which makes the best friend ever. I am so glad she was apart of my life. Chris Mapp
