“ *Meet You At The Gate
A beautiful garden now stands alone,missing
the one who nurtured it
But now she is gone,Her flowers still bloom,
and the sun it still shines,But the rain is like tear drops, for the ones
left behind,The weeds lay waiting to take the gardens beauty
away,But the beautiful memories of its keeper are in our hearts to
stay,she loved every flower even some that were weeds,So much
love she would plant with each little seed,But just like her flowers
she was part of Gods plan,So when it was her time he reached
down his hand,He look through the Garden searching for the
best,That's when he found Betty Doris, it was her time to rest,It was
hard for those who loved her, to just let her go,But God had a spot
in his garden, that needed a gentle soul,So when you start missing
Betty Doris, remember if you just wait,When God has a spot in his
garden, She'll meet you at the gate....*

“ *May the God of all comfort give you peace as you all look ahead to the time when all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28,29). Keep in mind...God is for us a refuge and strength, a help that is readily to be found during distresses. (Psalm 46:1.*
