“ I extend my deepest condolences to Elder Hall and the other family members of Mother Anderson. I've had the immense pleasure of knowing her through her son Elder hall from years of ministerial service together. To know her was to love her, she will indeed be missed on this side.

*Holding you close in prayer,
Archbishop Stephanie K. Fulton*

“ The first time I met Mrs. Anderson was at Ruben's 50th Birthday here in Oakland California. Her spirit was so sweet and warm and I can surely see where Ruben gets his beautiful spirit from. I want you to know that Byron (Uncle B) and I adore Ruben, his wife Angela and Lil Ruben.

Ruben, I've asked God to provide you and your family with healing and peace. I'm praying for strength to get through the difficult days ahead while honoring your mother's memory and legacy.

Sending heartfelt hugs,

*Love Auntie Robin & Uncle Byron
Oakland, California*

“ How we met was so funny to me my dogs ran in her yard which she loved dearly! She could bring back a plant that looked it had no life. I called her yard Jamaji like the movie. Her being in my life was the best thing that could have happened to me she became my spiritual God mom. She never showed a sad moment she loved the Lord so dearly she taught me to stay prayed up. She made me laugh even if I was sad with her silly jokes. I started sharing my cooking with her she loved it so much to where I always called her to get food when I cooked. She would say I cook like an old person. Her last message she left me before her passing was about my food! She truly was one of my favorite people I ever met and I will never ever forget her. I use to go to bring her lunch on her job to eat with her. She was such a very grateful person of the smallest thing you would do for her. Mama Betty, I could write a book about you. But, I don't want to take up all the space but you will forever be on my mind and in my heart forever. May you RIH & RIP God needed you more! Love you always Angel

“ Ms. Betty was a bright light that never faded. Her big heart filled every room with kindness, wisdom, and style. Her laughs were like a soft song that warmed your heart. Her words helped heal hurts. Just being with her showed that good people still exist in this crazy world.

Knowing Mrs. Betty felt like a big hug of real care. She welcomed everyone, forgave quickly, and gave without asking for anything. She always did the right thing, even alone. She cared about everybody—she prayed for people who didn't know they needed help.

My favorite memory was hearing her sing when she was working and she didn't think anyone was around, it was absolutely beautiful.

“ I already miss you dearly! Ms Betty was a joy; always smiling. She loved the LORD GOD with all of her heart and soul. When we saw each other during church service she would say, “ I'm gonna be like you when I grow up” and I would tell her the same. She was graceful and stylish. Family, know that she is now in the presence of GOD 🙏✝️. Rest in Paradise my dearest Ms. Betty 💔

“Mrs. Betty was a light that could never be dimmed — a woman whose spirit radiated kindness, wisdom, and grace in every room she entered. Her laughter was a melody that wrapped around your heart, her words a balm that soothed the soul, and her presence a reminder that goodness still lives in this world. She carried herself with a quiet strength that came from a lifetime of faith, love, and resilience.

To know Mrs. Betty was to be touched by pure sincerity and unconditional waving love. She loved everyone, forgave freely, and gave selflessly. She believed in doing right by people, even when no one was watching. Her compassion knew no limits — she was the type to pray for others when they didn't even know they needed prayer.

Forever missed. Forever loved. Never forgotten   Take your wings and fly peacefully

“*Ms. Betty was a truly special woman whose kindness, grace, and loving spirit touched everyone who knew her. I will always remember how she affectionately called us her babies — and how she lovingly referred to me as baby girl. That was just who she was: full of love and care for everyone around her.*

Her gentle soul and nurturing heart made every day brighter. Working alongside her was both an honor and a blessing. She carried herself with warmth, faith, and positivity, and her presence could bring comfort even on the hardest days.

My deepest condolences go out to her family and loved ones. May you find peace in knowing how deeply Ms. Betty was cherished by all who had the privilege of knowing her. Her love, laughter, and beautiful spirit will live on forever in our hearts.
