“ *My heartfelt sympathies go out to Betty Ann's family. I remember her from Johnsontown and when she would come to Lynwood Park. She was fun to talk to about different things. I'm sure she will be truly truly missed by all that knew her.

“ I remember as a teenager I would say when I grow up I'm going to dress Sharp like Betty Ann. When she came to my cookouts we had so much fun talking about back in the days. I will always remember and appreciate the talks that we had on the phone and all the words of encouragements and compliments. R.I.P. Betty Ann. ❤️❤️

“ Betty Honey,

You are missed by many. Taken too soon and suddenly. Thank you for calling to check in on Amaiya and I like you always made it a point to do. Will miss hearing you tell me you won't hold me long and then end up keeping me on the phone for another 30 mins after you said it lol. As a young adult we never know how much we will miss those moments once they are gone. I appreciate the bond that grew stronger over these past few years between you and I and most importantly these past 2 years. I will never forget you! Rest peacefully my darling. Love you always.
