“ What I will remember most about "Aunt" Betty is that she always treated me with love and respect, even when others did not. Her smile would make you forget your every trouble as it was filled with love and warmth. We shared the same "Gemini" birthday (6/13), which made our bond even stronger. She was the strong, silent type that made an impact on all that she met. I am grateful for knowing her and send sincerest condolences to the Heard/Melton Families.
