“ *Ms. Betty will be dearly missed. I had the privilege of supervising Ms . Betty for a few years at the USFS, and can say she is the best and most genuine person that I have met. She liked to take care of everyone, always concerned for others. Her spirit was one of peace. Many of us sought her advice, and she always offered words of wisdom and of encouragement to lift us up. Her smile was contagious. Her appearance just superb, but unassuming. Love you, Ms. Betty. To her family, I send my condolences. I very much enjoyed today's streamed services, thanks for sharing! Sincerely, Maria Laboy.*

“ *To the Family of Ms. Betty,*

Hearing about the lost of Ms. Betty really took me back a minute. A jewel she was. She was helpful, pleasant, and always met me with a smile. She demonstrated the fruits of the spirit in her own way. May the memories of her bring peace to your heart. We are going to miss you Ms. Betty, RIP.

“ To the family of Ms. Betty Taylor, she was one of a kind. Her humility was first and foremost. She talked about her family with such love and admiration. She gave her best to her job. I pray that your sweet memories of her will comfort you in the days, weeks, months, and years ahead. As her work family we have a lot to thank God for and to remember that how we treat others will always remain in the mind of those we leave behind. Rest well Betty - you have left a legacy to live by. "Treat others the way you want to be treated"

“ *Ms. Betty Jean Taylor was a consummate professional and lady. She always had a positive, encouraging, and/or inspiring word to share with us on a daily basis. Her indomitable and sweet spirit was felt by all of us. Each and every day, Ms. Betty brought sunshine with her, and she flooded the Regional Office with it. And, we, all, must remember that God is too wise to make a mistake, and He is too just to do wrong. Therefore, I feel Ms. Betty is on the right side of the gulf, in paradise, with the Lord. May God continue to bless Ms. Betty and her coworkers/loved ones. Without a doubt, Ms. Betty will be sorely missed forever!*

Betty was one of the nicest and sweetest and helpful persons that I've ever met. She was always so pleasant. She certainly was an asset to the Fire Staff in Region 8. Although I worked for the Washington Office she never hesitated to assist me. I am so saddened by her death. May God comfort her family and loved ones. We loved her but God loved her best.

“ Whenever I think about Ms Betty, I think of the following scripture, because she embodied this ENTIRE scripture:

Philippians 4:8 King James Version (KJV)

8 Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

Rest In Peace Ms. Betty! I Love You and Miss You

“ Betty was quite but unassuming as she always offered a kind gesture, which was not just her job but devotion to service, and most importantly, with a smile. Her calm presence and positive energy will surely be missed at the Forest Service. My condolences are extended to her family and friends as we mourn this loss. RIP, Betty!

“ When I think about Betty Taylor known as “Ms. Betty”, the quote from Maya Angelou comes to my mind. “I’ve learned people will forget what you said, people will forget what you did, but people will NEVER forget how you made them feel”. Ms. Betty was blessed with the ability to make us all feel better.

As the mail clerk, Ms. Betty was in contact with everyone within the Regional Office. As an employee, contractor or vendor, Ms. Betty showed “kindness” and a will to be in service to assist all. I will personally miss her smile and her laughter. Who can find a virtuous woman, for her price is far above rubies. She will do good and not evil all the days of her life. Strength and honor are her clothing; and she shall rejoice in time to come. Her children arise up, and call her blessed (and so do I). Rest well Ms. Betty.

“ My aunt Betty Jean Taylor had the best spirit of kindness anyone could possess. It was rare that anyone could push her wrong button. She was a personality you could never forget. Always words of wisdom, a wonderful smile and positive energy. Although taken unexpectedly, this angel can finally join other love one’s lost years before her. BJT you will truly be missed. The Exum’s family will keep a close eye on Kelsey, Anitra, Kiarra and Jeremy and pray for their continued strength. I know your angelic spirit will protect your babies from above. We love you always and will never forget you. Rest well beautiful.

“ *Condolences to the family of a beautiful soul. Earth has no sorrows that Heaven can not heal. To her daughter, son, and grandchildren whom she adored and loved so much. You all were her light. When I think of the beautiful smile that she wore, none to compare. So many laughs we shared in her soft voice. YumYum, one of her favorite sauces from Benihana... she just loved it. I liked it also, but didn't know the name until on a birthday celebration for me, she said in that soft voice... if you don't want your yumyum sauce give to me. Well thanks to dear Betty, it now resides in my refrigerator. That was our last luncheon together. At work I can only echo what others have said, and I add... she was awesome. I can imagine on July 31, the Angels of Heaven gathered all around her and they strengthen her wings and whispered... it is time for you to fly to your heavenly home in the sky. So I say to you all that are left to cherish and mourn her memories, trust in the LORD always, as HE is without a doubt the only one that can give you comfort and rest. I will always remember....lady Betty.*

“ *Ms. Betty always greeted me with a smile. When I think of her I see her smile. I feel the warmth of her heart. She was always dressed to the “T”, heels and all. She would always have a kind, complimentary word that encouraged me. Ms. Betty had a very calming, peaceful manner. She was very professional and always made sure my packages were either sent out or delivered to me in a timely manner. Ms. Betty cared about people. “ Ms Betty, as we all knew her, was a shining light at the Forest Service Regional Office. Everyone loved her and she brought a smile to each of us when we saw her. The love of Jesus shone through her and she always had a smile and an encouraging word, regardless of the circumstances. There is no one in our office who has had a greater positive impact on the staff or who will be missed more. I look forward to giving her a hug and telling her how much she meant to me one day - if I can drag her away from Jesus' side even for a moment. I love you, beautiful lady. Libby Bagwell

“ This is both very sad and humbling news to me. I’m 🥹 because Mrs Betty and I were very close... she calmed me down as many times as I made her laugh. She was always in the mood for a good meal, could dress her BUTT off and always had a kind word for everyone. The world seems a bit colder without her in it. R.I.P. Mrs Betty J Taylor ❤️💔❤️

“ *Isaiah 58:10 is the scripture that comes to mind when I think about Ms. Betty. The scripture reads: “feed the hungry and help those in trouble then your light will shine out from the darkness and the darkness around you will be as bright as noon.” Ms Betty’s light shined bright wherever she went, she was always the first person to volunteer or pitch in do whatever needed to be done. No matter what may have been going on in her life, she found a way to encouraged others. She never complained, instead, she was quick to forgive. When I remember Betty her light of strength, courage and love still radiates. I’m very grateful to have shared space with her, she truly blessed my life with her beautiful spirit.
