“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ Always caring, never wanting to slow down attempting to help whenever she could is my memory of Betty. My brother Charles and Betty had their moments as we naturally all do, but I feel they truly loved and cared for each other to the utmost. With heartfelt moments of love always, LeDora Hill and family
