“ Aunt Bettye, you have been more than just our parents best friend. You were and will always be our Aunt Bettye. All of us agree that you were the one who taught us to take our time and chew our food 36 times. We would have to wait for you to finish eating your food before we could clear the table and wash the dishes. We love you Aunt Bettye and are grateful God allow you to be a part of our lives. Rest in perfect peace Aunt Bettye.

“ To the family and friends of Mrs. Buster,

Earlier today I was told of your loss. Please accept my sincerest condolences at this time and know that you all will be in my thoughts and prayers today and in the ones to come.

*Several years ago at a Fulton High School (Atlanta) All-Class Reunions at the Elks Lodge in Tucker, Ga, I was privileged to be in a group of alumni, who Mrs. Bettye J. Buster led in a few songs for former FHS students and faculty members. Although I didn't have the pleasure of knowing her or being one of her students at Fulton, I became aware that night of what an amazing woman she was and the Choral teacher she had been to her students. She will be greatly missed by those she knew, whose lives she touched and inspired.
