“ We worked with Ms. B. as she was so fondly referred to for years at Team Services in the Mail Room. She was a very special person with a personality the drew you close to her. She loved her family, church and friends, as was always the same regardless if you were at work, church, home, or in the grocery store. She always greeted you with a smile and stories to share. Rest on Ms. B. and take your well deserved rest with Grady, and your Heavenly Father.
