“ As her first son-in-law, I was welcomed into the family by Mrs. Beulah Wilson. She was never a very formal or strict person, but loved to smile and joke. She was a loving and very caring mother-in-law, and I feel so blessed to have known her and shared many good times with. For sure, she was a very loving mother, and supported all of her kids. After working long hours at Crawford Long Hospital, she would come home, fuss awhile, but quickly put a good home cooked meal on the table. I was always so impressed by the strength she showed every day with dealing with work and family issues. Her million dollar smile made those around her feel so comfortable. I will miss her, but I know that God had plans for her, and called her home to be in his kingdom. She will be a shining star in heaven. Rest peacefully in eternity! Reggie Saddler
