

## Beverly Ann Anderson

August 10, 1944 - November 5, 2020

Beverly Ann Anderson was born in Birmingham, Alabama and lived and worked most of her life in Buffalo, New York. A reserved woman, she lived a quiet and simple life. Those who knew her well loved her candid wit and colorful disposition. She had a very keen memory and was very fond of crossword puzzles. In fact, there was not a puzzle that she could not conquer. Later in life she fulfilled her childhood dream to become a Licensed Practical Nurse, and after many years of service she retired to Lawrenceville, GA. Beverly was extremely proud of her children and grandchildren and loved them dearly. She enjoyed shopping, dining out, and engaging in activities with her many friends at her local senior center. Beverly renewed her commitment to the Lord, and faithfully attended worship services, prayer and bible study groups. She will be missed dearly and will live on in our minds, hearts, and souls forever. RIH Beverly, we love you!

“ My Auntie Ann was a strong and hard working woman. She was a nurse for many many years. I always remember her coming in late at night after working a late shift and waking up the next day to do it all over again and she never complained. Whenever we went to Buffalo growing up we stayed at her house. I can still hear her walking around in her slippers in the little steps she would take. Auntie was the keeper of any and all family photographs. She had so many. If you wanted to see pictures of anyone in the family from any generation she had it - young and old, 1950's to 2020. They were in albums and in frames all over her living room. I never got to meet my Grandfather Ike (my namesake) nor my Aunt Patricia so I always loved looking at all of the pictures of them and hearing the stories whenever I was visiting. So many Thanksgivings were spent at her house. This woman right here is one of the reasons why I can't just pass over Thanksgiving and why it means so much to me. She brought family together in her home. I remember her coming to my High School graduation and making a big deal about it and her being at my wedding.

I'm sad I can't be at the service in person, but I am thankful for the live broadcasting so I can see her one last time and my family. I will miss you Auntie Bev. Give a big hug to Auntie Damita, Grandpa Ike, and Auntie Patricia for me. Hold your loved ones close and if you haven't spoken to them in a while give them a quick call, text, or send them a card because you never know when you'll get the chance to again. I don't see or talk to my family often, but I love you guys and you're always on my heart. XOXO 🥰❤️
