“ My sympathy and prayers go out to all of Beverly's family especially to her son Tyler. I loved cousin Beverly and will miss our phone conversations and some of the times we spent together. Beverly had a love and excitement for life and lit up a room when she entered. There was never a dull moment. She was like a magnet and people were just drawn to her charisma. We used to laugh for hours in our conversations. Beverly had such a love for Jesus and she shined. I will always miss you my dear cousin. I will see you in heaven when it's my turn. Love you. Cousin Pam from Ct

“ *My deepest sympathy in the loss of your beloved family member. Even though your hearts may be heavy with grief, please remember that our heavenly father also feels your pain of grief. Through his word the Bible he offers comfort to help us cope. Psalm 34:18 says; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. Also the wonderful promise at Isaiah 25:8; He (God) will swallow up death forever. And the Sovereign Lord Jehovah will wipe the tears from all faces. Because God “cares for you “(1Peter 5:7) he will help you to cope at this difficult time.*

“ I am so saddened by the news. I haven't seen her in a few weeks but I was her hairdresser here in NC. I will never forget her spunky self and always cheering a room when she entered. We laughed, had deep conversations, and prayed together and I will truly miss her !! I know she is with the Lord and that gives me comfort. I will be praying for the whole family.

“ I've been a friend of Beverly's since I was 14, I met her at Coniston Jr High, then went to Forest Hill High with her... we lost connection for years until about 10 years ago we reconnected at our class reunion... She was a very special person, very caring, comforting, loved everyone she met, & energetic!! We would meet with several of our reunion ladies that lived in Ga the past 2yrs about 3x's... The last time she was over an hour late, but she was her bubbly self you could be mad at her! She helped me through my son's passing a few years ago... I surly will miss her... it was such a shock!! But she is an Angel looking down on us, saying don't mourn for me I'm alright I'm in the arms of our Lord and Savior 🙏

“ I know I speak for my sister Barbara and her husband Bob when I say that we were shocked and saddened to hear that our cousin Beverly had passed so unexpectedly. Although we didn't spend much time together in recent years, I will always remember her as someone full of warmth and enthusiasm. We send love to our cousins and pray that God will make His comforting presence known to you all in this time of grief.

“ I worked with BeBe for the last ten years, we were both "Yankees" from up north, I from Illinois and she from Connecticut...We shared many stories about our upbringing and similarities (we both had five sisters and we were born one year apart). We would joke about how we were sisters of another mother.

BeBe's had a spirit that could fill an entire room and that laugh, (which I will miss) always present to lift you up when needed. God, family and friends were the foundation of her life...she stood in that truth and owned it everyday of her life....Rest now good and faith faithful servant....well done!

“ Dear Tyler:

I worked with your mother over the last ten years. You were the love of her life...always remember that and may you find comfort in knowing that.

“ My cousin, Beverly, was a beautiful person, a beautiful woman and a devoted Mom. Words cannot express how deeply she will be missed. I speak not only for myself, but for my Dad, Beverly's Uncle Hugo, who remembers her as his cute, little niece who "just loved to jump up and down on the bed." She was full of life, always smiling and a joy to be with. We spent visits and holidays together at Grandma and Grandpa's house on Barbour Street in Hartford, CT along with her sisters, Louise, Marie, Dolores and baby Emily. It only took one phone call from Laura to remind me of how much I miss Beverly and all my family in Florida.

From the bottom of my heart, I hope my cousins and their families find peace during this most difficult time, in the memories of the wonderful times we all spent together as children growing up.

I love you all and will keep you in my prayers.

“ I'll always remember Beverly for her heartily infectious laugh. All the girls lived on the next street over and I think each of them babysat me at one point or another except for Laura who was the same age as me. I am forever grateful that I was able to connect with her again thanks to FB. Rest In Peace sweet angel Beverly.

“ I didn't know BeBe very long, yet long enough to know how deeply she felt about her family and friends, her God and her country. She had an infectious glow and hope about her...I'm truly glad I knew her and counted her as a friend, even if so ever brief.
