“ Beverley lived next door to me for the past 25 years. We watch Clinton grow up and Beverley loving Clinton more than anything else. I will miss talking to her and seeing her come and go. May her family know she is watching over you always. Rest in peace Bev.

“ *I worked with Beverly at IBM and we shared a common interests in the raising of our sons as well as doing the best in our positions. She was dedicated to both and I admired her positivity and commitment. I missed being with colleagues when I retired, Beverly among them and I was blessed to visit with her at one reunion of BPSO. I will miss her presence but rejoice she is in her heavenly home.*
