“ *Myself and Sandip have many many memories from Bombay spending time with Mama/Mami (actually my dad's Mama, but we also called him Mama/Mami!). I still remember staying at their nice Bombay flat for few days during the vacation time, and playing table tennis, watching some reel based movies on a projector (they had that now-old type of traditional projector), visiting Vajreshwari, Powai, in their Fiat car with many of us, and many more such warm memories. We always felt welcomed!*

The best was spending time recently in Dec 2021 in Phoenix AZ. I am glad we did that to get to hear and discuss with quality time on many topics with Mama especially on spirituality and life skills. He was a super reader and great communicator. He definitely had his life full of energy, bringing family together, keeping the relationships, guiding those needed, providing wisdomely thoughts, spending time with young members of the extended family, etc.

He gave us couple of books from Chinmayanand to read and I did read those. It helped me understand what is 'integrated personality' and I also included this thought in the kid's book I published. Thank you!!!

As we know that he went peacefully. I am sure God will be very pleased and proud of his life work! He will be at peace in his new "Home"!

-- We will miss you!

“ *Bhailalmama*

In 1961, after completing our B.E. graduation, Arvinbhai and I went to Mumbai seeking employment. It was then that I was fortunate to meet Bhailalmama and Kapilmami, who took us under their wings with the love and care of true mama–mami. Their guidance and support meant a great deal to us and shaped our life journey.

*Bhailalmama’s kindness and wisdom will always be remembered.
May his soul rest in eternal peace.*
