“ *Billie - Thank you so much for being a part of my life and for changing my life. I was thinking about how much you loved fishing and being on the water. Never realized until this moment that through your dedication of service to others you were also a "fisherman" of men & women. A modern day apostle. LOL!!! :-)* You had a profound positive impact on so many lives, including mine. Rest in peace until we see each other at the big meeting in the sky.
