“ *I am deeply saddened by the loss of my father, an honorable Air Force veteran. His commitment to raising my brothers, and I, supporting my uncles Johnny, Hubert and my cousin Tomario Rowe, and serving our country is a testament to his bravery and dedication. As a fellow service member in the Army, I am proud to have shared in the tradition of service and family with him. Please know that my thoughts are with you Daddy and our family during this time of grief. With heartfelt condolences, your daughter Donna (Rowe) Owens and family.*

I was heartbroken to learn of the sudden passing of my dear cousin. The past three years we grew closer as relatives. I found him to be resourceful, wise, and humble. I shall forever cherish the many Thanksgivings dinners we shared.

I'm writing this with deep sadness and sorrow regarding your sudden passing. You are the true definition of kindness while firm and a man of honest integrity with a BIG heart.

You were ALWAYS there for me when I needed you (wisdom and support). I solute the unconditional parental love and life lessons you shared with me and my siblings regardless of the circumstance.

In addition, I've never forgotten that you thought me how to dress for my very 1st date, attended my youth football games and track meets. As well as you being there for me by my hospital bedside on a few occasions (sickness and sport injuries).

Dad, I could write a novel of memories regarding the time and adventure you shared with me alone. But, I do understand that you're gone now. And I must find away to say goodbye...

So, let me do it the way I addressed you with every phone call we shared.... Hello "Young Man" I don't really know how to say a final goodbye to YOU so I won't.

However, I will say: REST IN POWER I'm sure you're in great hands. You will be sincerely missed but NEVER FORGOTTEN. 🙏👊👊

A man, all the way to the end. A father, all the way to the end. I'll cherish all of our conversations, and your influence on me. I'm eternally grateful.
