“ When I was scheduled to take a technology test with the LOTUS corporation, Bloise trained me on some things that he felt would be on the test. He was exactly right. I was the only person (of many tested) to pass the test, in that wave of hiring. The things he trained me on were not in the manual that we were given to prepare for the test. He did not hesitate to train me. All I had to tell him was that I needed his help.

He was a technology genius! This is a big lost.

“ On this day your birthday I am at a loss for words. You and I had an amazing life and understanding for each other. Our love and bond is strong. Bob you mean so much to soooo many. You helped me to transition into adulthood. You are the only one who was willing to get in the trenches and show me how it was done. I know you are in heaven with the almighty Father. I miss you so very much. You ran your race with grace. Good and faithful servant well done❤️❤️

“ *Bloise Avery, Bob as he was affectionately called was such a giving person. He gave much to many and asked nothing in return. He raised several children along with his wife and He birthed three Guy, Jasmine, and Cameron from previous relationships. His mother Mildred, brother Elliott and two sisters Hope and Heidi were very close and Bob took ever chance he could to connect with them. He was like a younger brother to me who always had a warm smile and a loving way. All that he touched will remember him and his quiet was of getting things done. Rest In Peace Bob, gone for now but always in our hearts.* ”

“ We will always remember Gemma’s “ Pappa “ , as she called him , always helping out our Girl Scout Troop by picking up the food from the restaurants and bringing it to the church for us. One funny moment was when they forgot to sew Gemma’s patches on her Brownie vest and he called me asking, ” Which side do these numbers go on ? Greer forgot to sew them on before she left . ” Heaven now has a new helper. Condolences to Gemma. Love , Girl Scout Troop 14866
