“ I met Bobby at the beginning of my nursing career at Grady; she helped & taught me much. Oddly we met again, and worked at her last position at Grady & I had to help her much. We called her "Billy Holiday" because she walked around singing like a beautiful bird. I never heard a negative word spoken about Bobby she was "good people" & a darn good nurse. Rest in peace "Billy" you gave all to everyone around you its your turn now. I hope you are still singing and smiling.

“ My sincerest condolences to the family of Bobbie Evans. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalms 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."

*May your reflection on this promise and your many fond memories of Bobbie give you the strength you need to endure this difficult time.*
