“ My heartfelt condolences and prayers go out to the family of Bobbie Thomas. I met Bobbie at the Atlanta VA where we worked together for almost 3 years. Even though I only knew her for a short time it felt like I have always known her. She was very kind, warm, caring, and down to earth. She may be gone but her memories will live forever. To her daughter Anika and family, may God give you comfort and healing during this time of sorry. God Bless & Stay in Faith.

I was not prepared. I screamed when I heard you were no longer here. Now I spend the time creating ways that I am going to preserve your name, your memory and most of all, your life as I knew it. We created an amazing friendship bond that could not be broken and it still isn't. The responsibility is now on me to keep you visible and noteworthy. Your name will be in my voice as often as possible and our crusade hasn't ended. There's still lots of work to be done. For now, get some rest. I know you are tired. When we meet again, we will pick up where we left off. I love you so, so much my sister-friend. Stay with me and help me when I need you. Whisper in my ear and remind me you are with me. Touch my shoulder or just brush by...I will know it's you, and I will say hi.

My sincere condolences to the family and all those who knew and loved Bobbie. She was THE Goodwill Ambassador of the Atlanta VA Medical Center. Always cheerful, always helpful, always with a smile and a positive thought. She will be missed. My utmost respect to a fantastic woman who went above and beyond the call in her care for her fellow servicemen and women as well as anyone with whom she came in contact. Rest in peace Bobbie.
