“ *For me, he was the face of Head Start. I first met him 15 years ago when I was a new fiscal officer for JCCAC, and I last worked with him in February when he monitored the three HS/EHS programs for the agency where I am the CFO. He was such a kind, loving person and I truly treasure every opportunity I had to work with him and learn from him. My thoughts and prayers are with his family, loved ones, and his extended Head Start family. He will be missed.*

“ My deepest condolences to the Bobby Griffin family! Often in life we meet a friend or a fren! 😊 Bobby was both for me. I met Bobby early in the world of Head. Due to his passion, motivation, and inspiration, I was impacted greatly.

Our friendship has grown over the years as we have shared his mom, daughter & granddaughters, including his beautiful wife and son. Bobby loved his family dearly, yet he loved mine, too. 💕 Today, it hard to believe that he is no longer with us, but I will treasure our friendship and love throughout my life! Bobby was a great example of what love and friendship look like; and not only did he love, but he helped so many! Bobby was merely, selfless.

Portia and Family, thank you for sharing Bobby with us, his friends. I won't say goodbye to Bobby, but as we often ended our conversation, I will talk to you later.. ❤️❤️❤️❤️

Men like Bobby are rare. Although he and Portia are dear friends of my sister Mary W. Jones, my siblings and I recognize Bobby as our thirteenth brother. There's no way we will forget him any more than Portia and their children will.

I thank Father God that Bobby was led to call and have prayer with Portia and me, simultaneously - the day before his transition. The sudden transition was shocking, but we KNOW that the Father keeps His promises - to be with us ALWAYS. Love and condolences to family {biological AND church}.

Deacon Bobby Griffin exemplified Christianity and professionalism. I met him during difficult circumstances as he led deacons, trustees and choir members on a home visitation for my husband suffering from ALS. The visit was uplifting and spiritual as my husband recalled his days playing for the Chicago Bears as an offensive tackle. Because of Deacon Griffin's demeanor, the visit turned into a celebration of the life of my beloved husband.

*May God continue to embrace Portia and the entire family during this difficult time of bereavement. My love and condolences are with you all.
