“*Bonita was a dear coworker turned friend. I hadn't spoken to her in a while but when I did she was bubbly and upbeat as ever. We last ate at Pappadeaux and i enjoyed it. I will always remember her looking the way she did and saying "Girl", I know what you mean". My deepest condolences to her family, her husband and children.*

“*I am so heartbroken to hear the passing of Bonita who was a friend of mine since childhood. We grew up together in the church and spent many hours just hanging out. Denise, Bonita and Roberta were all close friends. I talked to her on fb a couple years ago we had time to catch up a little. I pray for the family that God gives you peace during this difficult time. I love you all!*
