“ I will never forget the road trip we took to Sammy's wedding in Louisiana. You put "the pedal to metal" and did not let up. The rain storm we drove thru briefly, did not slow you down. I could barely keep up following you in the MG and when we got to the house in LA the car was resistant to turning off. I remember the "Bear Bryant" collectibles you purchased, saying they are going to be worth something one day. Booker T. you will be greatly missed.
