“ Oh my heart is absolutely broken. I am a childhood friend and classmate of Boris since we were in 4th grade at Lemira Elementary in Sumter, SC. I had NO IDEA Boris had passed away until I went to see his Facebook page to add him as a friend to my new account and saw a birthday post from a cousin that wished him a Happy Heavenly Birthday. I shared the news with another close friend who was also very close to Boris in our group of friends at school. Oh the laughs me and Boris used to have in school! We were more like brother and sister and we all loved his parents too. We were all heart broken when he announced that his family was moving to Conway at the end of our 8th grade year! I will cherish every memory we had from those days...and my deepest condolences go out to his family. I will be sure to let our entire group of friends here from Sumter know of his passing.
