This is one of my favorite pictures of Brandol and I as he attended my 50th birthday celebration. I would like to reach out to any member of Brandol's family. My contact email address is trellis@tcrawfordassociates.com

I am simply heart broken shocked and devastated. I am just finding out that Brandol passed away. He was a good friend to me and my daughter Faith for 30 years. I did his taxes every year and when I didn't hear from him I thought maybe Covid was keeping him social distancing. But he always returned my texts and calls... I will miss him dearly. He was more than a friend to me and my daughter Faith. My condolences to the family whom he loved with his whole heart

“ To the many friends and family that Brandol loved so well, my best wishes that your pain will ease and you will begin to focus on all the good stories from his well-lived life. Shortly before I retired from working with Brandol for 18 years, I asked him to re-tell a few stories for me. One was 'The Saga of the Belt Snake' when he and Craig were on their Granddaddy's farm in Alabama for the summer. Another was taking his nieces to a Lil Bow Wow concert and buying them a 'backstage pass.' Oh the joy he had at those memories. Rest in peace, our dear one, and many thanks.

“ Brandol and I had several great years together. He was always very loving, kind and patient with me. And those are just a few of the reasons that I loved him. There are so many more... He's resting in peace now, but I will never forget him; he will always be a part of my life. Love, Elizabeth

“ *The Bible says that when Stephen was stoned to death that Christ stood up to welcome him. I would like to think He stood again for Brandol. A man of integrity. You will be missed my brother temporarily because one day I will see you again. Al Curtis*

“ *I knew Brandol as "Uncle B." He was the consummate gentleman, quick to share his smile and time. No matter the circumstances, I could always count a Christmas card and happy birthday wish from him. He was such a special man, the world was truly a better place with him in it. He will be sorely missed by The Carters, Howards, Broadwaters and Myself. Love always, Roshonda Gainey*

“ Brandol was truly a messenger sent by God to carry a message of hope to those who were trying to find their way. That's what he was for me more than 30 years ago and I will forever be grateful! Your work is done. Rest in Heaven! Amen!

“ Brandol was my dear friend. Whenever we got together, my day was filled with dining, a good movie, listening to jazz and lots of laughter.

I particularly enjoyed Brandol sharing stories with me about his family. I could see the deep love and compassion he felt for them.

I am sharing your sadness in the loss of an amazing man with a giving spirit. Brandol will be truly missed....but never ever forgotten. My deepest condolences to the Major/Salter Family, and I pray your fun memories will help ease your pain during this time of bereavement.

“ *Mr. Major was how I referred to Brandol. Finding servants who are willing to give of their talents and leadership skills is a difficult proposition. Mr. Major demonstrated a willingness to sacrifice of his time to help his community become a better place and he did it with a smile. He will be missed HUGHLY.*

My Brother in Christ is first and foremost the feeling that I have of Brandol. We met August 17, 1991 at Decatur Hospital and the last time our spirits got together was at St. Josephs hospital about 4am. He was truly my Brother who I loved dearly. The memories are endless from me, him ,and Anthony sitting in his living room on Youngs Road to him being one of my Groomsman. The thing that we had good clean fun was a Brotherly bond that will last forever especially messing with him about his picture in his UCLA basketball uniform. God bless you Brandol and Heaven has gotten a good Soldier.
