“ I remember how Brandon was known as “Rodney Peter” at our family’s annual football game known as the “Perry Bowl” because of his football skills mainly his prowess as a quarterback. After he retired from being a quarterback in the Perry Bowl he would later become another “fan favorite”...a beloved referee!💙💙💙😭😭😭
Rest on “lil cu” our “BP” missing you already Bonita (Nita) Denton Taylor

“ Remembering the family in heartfelt prayer.
In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.

Marilyn, Jason and Chris I can't begin to express my sorrow for you all. It's hard to process right now. But God will get you all through. I wish we were not in this pandemic which seems like it's not going to end so that I could personally reach out to you. If I can help in any way please let me know. May God be with you all and grant you peace.

Brandon was always the perfect gentlemen to ladies. I don't have one specific memory but rather a collective memory of all our memories and great times together. Many speak about the all-star athlete Brandon was but in addition to that he was VERY smart. All I keep thinking is how he always stood so tall (impeccable posture), smile that lit up a room, not ashamed of being 'advanced' smart, comfortable in his skin, and kindness that made him know no enemy. Much love to one of my buddies! I will forever respect and honor your greatness. Rest well Brandon! (Lithonia High Classmate)
