“ Dear Williams Family: Please accept my sincere condolences for the loss of your loved one May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace and comfort as you think about this beautiful hope for the future.

“ To the Williams family I send my deepest & strongest prayers that God gives you strength as He gives me strength to handle our loss.

To my dearest Bre Bre,

I'm so sorry I wasn't strong enough to come say goodbye, but God knew I couldn't bare that. I'll never say goodbye, because you'll always live in my heart. This about took me under lovebug!!! You know there was no way I could fathom you leaving me. However, I know the struggle was too much for your body. I thank God that He wrapped you in His wings and have granted you your request. To be free, To be without pain and without sorrow. I remember a conversation we had years ago and I'm glad you finally got there! Well done! I love you so much!!! You were my first baby! Lol. I remember watching you and changing your nasty diapers in OKC! You were always so beautiful!!! I always bragged about my Bre baby. You and Ke'Von even found like brother and sister. Y'all used to crack me up. You held this family together! You made us love and talk to each other, because everybody wanted to be able to spend time with you! You were a light and gift of love to this family! I will forever be changed with your absence. I will never let your memory go! You will always live in my heart! I even breathe different and I will fight harder for your name sake. I miss you so much sometimes I actually forget to breathe for a moment. Sometimes my heart literally hurts, but better me than you my love! You fought a GREAT fight now it's time to fly high! My Angel My Love My Warrior My Hero... Till I can hold you in my arms again I'll hold you in my heart! Love always! Cousin Monique ❤️

“ Breanna, This is your cousin Rakeim. I just want to thank you for all the special moments we shared together growing up. Spending the summers with you at Grandma House is something I will never forget. I want to thank you for all the positivity you brought to this family and the love you shared with each and every one of us. I know you one of your goals was to graduate this semester, and so is mine. So this spring I'm dedicating my walk across the stage for you! I love you and adore everything you've done for our family. We will miss you dearly! #RestInParadiseBreBre

“ I would like to say a few words about my niece Breanna. The name Breanna means "strong" and strong she was. When I think of the name Breanna the words that come to mind are,:

B=Beautiful, bold, brave

R=Remarkable, resilient

E=Easy going educated, exceptional

A=Affectionate, adorable

N=Nice, nurturing

N=My niece

A=The most Amazing young lady that I had the pleasure to have known and loved. You may no longer be with us but you will remain in our hearts always. I will always remember that little girl with those pretty little slanted eyes the smile as bright as the sun.
