“ *Brema and I were co-workers at Georgia Department of Public; our interaction there was a daily highlight; no moment too big and she never met a stranger. I was amazed by her spirit of purposeful JOY. Thank you Brema for the everyday LOVE that you shared, and “there is nothing you can do about it.” God bless and keep your Family as you embark on a new and amazing journey to the HEAVENS.*

“ *Ms Brema was always full of joy and was a blessing to others. She loved to laugh and have a good time. When I would visit DPS Headquarters we would sit around and just talk about life. She never complained about life or about work. She will truly be missed and I thank God for sharing her with us.* ”
