“ *In Loving Memory of Beautiful Brenae , I often called BB each day ! Ive felt so grateful to be part of your journey. I remember your good days and bad . I will surely be missing you so much, but everytime I close my eyes I see you smiling and that keeps me strong. Words can explain how I'm feeling, but I this heartfelt message is for you. Each word is meant sincerely. Now that you have passed away I miss you so very dearly, I know you're with the angels in a beautiful place, but nothing can take your memory away. I wish I could still hear your voice, and see your smiling face. You will never be forgotten I think about you always and treasure happy memories they will never fade away. Losing someone as special as you, causes pain that's hard to bear. My heart feels truly broken knowing you're no longer here, but sleep well in heavenly peace Brenae Jacobs .*
