“ When I came to the Valley as a freshman I didn't know anyone. I saw you and your Augusta connection headed to the student center and I asked if I could tag along. You said yes and we've been road dogs ever since. I will miss your humor, your wit, your hustle and the way you could pull a good time together at the blink of an eye. It's hard to believe that after all these years we reconnected only to say goodbye. Though we may not have talked everyday I always knew you were there. And so I say goodnight my dear dear friend until we meet again.

“ I always thought of my oldest sister as Brenda Ponder Jester because me being raised up with her in the household, around school & at Fort Valley where we visited before my entering there. I depended on my sister in much of my life for her to properly guide me so God and family which includes her sons be true to their mother' upbringing of them. Plus Lord knows that she was happy 😊 and blessed to have captured...Walt "Bo" Jester's heart ❤️ because they truly loved each other. Pray for me to be strong. Sis Cathy Ponder Jordan.

“ I was so shocked and saddened to hear of Brenda's passing. We were co-workers at City Hall East for the City of Atlanta's DPRCA. I will never forget (and have shared with many) how when I was "going through the last of 3 or 4 of the City's reorganization plans that abolished my position", Brenda would always come by and offer me words of encouragement. She would remind me of our miracle-working God... how He could make it possible for me to retire earlier than I was scheduled to. Long story short, it happened just as she prophesised! After leaving the City, she would contact me around the 1st of December to request me to make Christmas cards for her (because she wanted something different). Then, she would always send me a Christmas gift. If only the world had more Brenda's. Heaven has received another angel. RIP Brenda!! You've earned your wings.

“ *Expressing our sincere condolences to Walter (BoBo) and Family. Every now and then an angel will appear before us and bless us with their presence. Brenda was truly an angel whose kindness and caring nature was unequivocally genuine. Even though we first met Brenda over forty years ago, we never really had the chance to know her until recently. Her ability to bring people together and lead them to achieve things beyond their wildest dreams was uncanny. Brenda will truly be missed.*
