“ I will miss Brenda's laid back and friendly personality. My fondest memory is when we were children and played school all summer long. We had so much fun growing up together in those days. She was one of my favorite classmates. We express our sincere condolences for the loss of the beautiful jewel Brenda was! Family, stay strong and steadfast in prayer for comfort.

“ I am at a loss. I don't really know what I can say or do to ease the pain of those who knew and loved Mrs. Brenda. Just know that I am continuously praying for strength and peace. She was an amazing being. Mrs. Brenda was smart, a great cook, funny, strong, and someone who I, and I'm sure many others admired. Mrs. Brenda was a wonderful mother and grandmother. For me, she was an encourager and a friend. I will always remember her, and her legacy and teachings will live on through those she left behind. Mrs. Brenda, take your rest. We love you!

“ Sister, since you passed away life just hasn't been the same. I would move heaven and earth to have you here with me again. The time we spent together meant the world to me. Your laughter and your precious smile lit up the room. I am so grateful for the years we had and the closeness that we shared. The special times we shared on vacations and special events, means everything to me. You were my mentor as a young girl and I always looked up to my big Sister. Your heart, so kind and thoughtful, I always knew you truly cared. You were my Bridesmaid at our wedding purposefully because I wanted to share my special moments in life with my sister and best friend. You were a wonderful Sister, I miss you more than anything, you were more than just a sister, you were a special friend. We will love you always, until we meet again. Michelle & Ruben Aguilar

“ **NEVER ALONE**

By Glenda Walker Lee

(Dedicated to a Dear Friend, My Classmate)

*Although your day has come and gone
I want you to know you are not alone
A lot of our loved ones are near the throne
Don't forget Jesus Yeshua died for our sins that we may be saved
And He promised to never leave us alone
If you are born again you are a new creature in Christ
Therefore you have access to the throne
How do you become born again, you may ask?
That if thou shalt confess with thy mouth the Lord Jesus,
And shalt believe in thine heart that God hath raised him from the
dead,
Thou shalt be saved. (KJV Holy Bible Romans 10:9)
Take time to give Him a few minutes of thanks
And to give your life to Christ Jesus
We do not know the day or the hour He shall come for us
Therefore we should be ready because He comes as a thief in the
night
Don't let it be said too late, too late
To enter the golden gate*

My dearest sister that I truly love. You accepted me into your life and I appreciate it very much. The times you and Dave accompanied Michelle and I to Cancun Mexico 🇲🇽 we had so much fun. We talked for what seemed like hours and went on all kind of excursions. I watched you and your sister bond as a family and just kept us laughing. I still have all those text messages that would pop up and you would ask me about them gummies that I was taking in California. I would tell you about my garden and that great butter I made out of them special plants. I strived to be the best brother for you and looked forward for you and Dave to come and visit us in California. Life is not the same as it was before because I had a caring sister that I loved so much. I remember those fajitas that you ordered at the restaurant in El Paso and you constantly reminded me that you could never find another spot that served fajitas like the one's you ate in El Paso. Like Maxine says you are in my thoughts when I go to bed and when I wake up. I will not say goodbye because I will see you again and when I do I will once again hug that beautiful sister that I love so much. So now enjoy the peace and new life without pain and hug all of our loved ones in Heaven.

RIP My Beautiful Brenda Carter Perkins

“ Dear Sister, you will be tremendously missed and loved by all. You were a kind and loving person. You helped me on numerous occasions and I will never forget that. When I got sick some years ago, you brought me to yours and your husband’s home to take care of me for a few weeks. You administered my medication intravenously for 21/2 weeks with kindness and patience. I don’t know what I would have done without you. Rest In Sweet Peace my sister. Love you forever.

My dearest, dearest sister, this is far most the hardest thing that I've had to do thus far is to say goodbye to my sister/friend. I'm going to miss you dearly. I truly, truly don't know what to say. I can't find the words to express how I feel, but one thing I do know is that I wake up every morning with you on my mind, I think about you constantly throughout the day, I go to sleep thinking about you. That's how much I love you. How can I go on without you. Eventhough you are in a much better place, my heart achs for you. I'm going to miss all of our sister talks, your kind ways (always remembering everyone's birthdays), and the love you poured into everyone. You are my sister, my best friend. You were the head of this family. You kept this family together, so we All are going to miss you. This is Not a final goodbye for me because I will see you again, so until then Brenda, here's lots of kisses and hugs just for you. I love you!!!

It's still surreal that you aren't here physically on Earth with us. I swear I can hear the last full conversation that we had and I wouldn't have let you go if I knew that would be the last long conversation that we would have. I love you so much and hope you are resting peacefully. Words can't express how appreciative that I am of you and how much I love you! We love you until the end of eternity 🥰

My name is Carolyn Johnson Satcher and I was looking through the Obituaries and I came across a picture that looked familiar to me. I thought I recognized it. It was someone from my home town, Anniston, Alabama and someone I knew.. Brenda went to Cobb Avenue High School with me and my sister Joyce Johnson Craft. She was my sister's classmate of 1972. I saw Brenda at a Cobb Avenue High School Class Reunion a few years ago. I took a picture of her and some of her classmates. It was good to see her and to know how much she had accomplished in life. I did not know that she stayed in Georgia also. She stayed in Lithonia and I stay in Stone Mountain not far from her. I wished I would have known it. Cobb classmates will truly miss her. I hate we did not know we were so closely living near each other. My sister Joyce and I both send our condolences to your family. May she rest in peace.
