“ *To the Family
I have such fond memories of Brenda when she would visit Michigan with the kids. Brenda was such a kind spirited and loving woman. I know that she will continue to be remembered by what she instilled in her children. My prayers are with the family. May peace and joy resonate in your hearts now and always as you remember the mark such a godly woman left in this world.

“ To my dearest cousin Brenda, I will always remember and cherish the memories of the times I spent at your home on Turner Street. The delicious food, gathering in the “curtain” drawn room for movies and the wonderful girl talk we shared at nighttime. I will value them forever! Rest in peace sweetheart❤️

“ *Working with Brenda was a privilege indeed. She possessed a quiet strength which made an impact on my life. I was always excited to know she was part of the crew because the time spent onboard with her kept me in check. She was a woman of great kindness and superb character that will always be close to my heart.*

“ *Brenda is my oldest sister and my second mom. We had always been the best role model any sister could ever pray to have. She was smart, beautiful, loving, caring, the best baking chef ever and these were the things she did in her spare time. She was a god fearing woman and raised her children with strong Christian values. She was dedicated to her job with Delta Airlines as a Flight Attendant. She had a perfect attendance record and when she served as a supervisor to Flight Attendants she was compassionate and fair. She and her family were entertaining favorites in her beautiful subdivision where she met a great community of friends. She shared her love of travel with family and friends. She graduated from Wayne State University and was an active volunteer with her church and children’s schools and sports activities. She was a favorite mom to those who met her. Her kindness was appreciated by all. She will truly be missed. She was always be in our hearts and will be taking care of us from heaven. I love you sister. Love always Marilyn*

“ There are so many memories I have of my first cousin, Brenda, but the one I cherish the most is the last happy time we had together. Brenda skipped work to hang out with me for three whole days. She took me sightseeing, fed me good food, ate Krispy Kreme donuts, watched parades and talked about all the stuff we did growing up in Detroit. Rest well, my cousin. I'll see you later. ❤️❤️❤️
