“ Please accept our deepest sympathies over the loss of Brenda. We pray that God will provide the family with the strength needed to endure this difficult time. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. jworg

“ I'm still numb thinking I'm going to wake up and someone says I'm dreaming. I have so many precious memories of us together, our talks, laughs, your advice and so much more mama. I'll always hold you close to my heart and love to eternity and we meet again. God needed an angel so he picked the best because he makes no mistakes however I wish he hadn't picked you just yet. I know mama I can hear you say it's ok daughter I'm ok and I'll always be watching over you. Mama I'll always be missing and loving you.
