“ My dear husband... Words can't begin to express how much I miss you. As we approach the anniversary of your death I find myself reminiscing of you and the hole in my heart getting bigger and bigger. The tears just won't stop flowing and wish I could have one more moment with you. Your wings were ready but my heart was not ready for you to leave. I miss everything about you . Until we meet again I love you now and forever.

“ *Chief Chipere. The news of your death came to me as a shock. One of the few friends I had when I first came to the United States. We toil together at the airport working extra hard to start live. You was a true friend, hard working, and full of fun. May your soul rest in peace.*

“ No words can explain how sad we are. Your wisdom you shared so generously, the depth of your heart and brilliance. The friend, brother, son, friend father, entrepreneur you were to all who deeply mourn your passing. Every role in your life you led with dignity, grace and integrity. It's so clear that your parents did their finest work raising their children. We love and miss you friend. You rest where the most dignified lie in heaven. Fly high our dear friend 💔

“ *Simba! I still feel like this is a dream. I can't believe this is Reality. We were 2 sets of 3 siblings each that found solace in each others company. Music, Dancing, eating & plenty of jokes & laughter. My Father enjoyed conversations and laughs with you. Just 7mths ago you were scolding me to leave the UK and come back to Atlanta with my Family and you were taking a special trip to come get us. 20yrs and that was still the running joke between us. You will be sorely missed SIMBA!! My dad has got an unexpected visitor to stay with in eternity. Go in Peace and May our God receive you with open Arms*

“ Still have vivid memories of growing up with Simba, Pamela, Lorraine and my late brother Richard. Even as we grew older, Simba would occasionally check up on me and my family. O

Really saddened by Simba's passing and praying his soul finds peace in Jesus Christ. May the Holy Spirit comfort Mainini & Bamnini Chipere and the family during this difficult time.
