“ My chosen brother. I will miss you, playing WordFued, talking crazy when I pass your house and either call you or honk my horn. Leslie and I have so many memories of your goofy self. I'm glad you're no longer in pain, but the selfishness in me miss you. The jokes about Tanisha's windshield, Leslie and her History class, your telling me your bringing me Gino's but eating it for before you got here 😞, me changing my alarm code blocking your access to my house, you going for a run ...😂😂😂 the jokes aren't the same anymore 😞. Who will I joke with on Facebook? After listening to your uncle giving your eulogy, I don't think I ever told you that I love you hommie.

I love you,
Your other sistah- Tashonda

“ So many fun memories....I had tickets to the Hawks came and you wanted to make me walk because you didn't want to pay for parking. But all my funniest moments are from Dudley's . Boy you loved that place. I remember the waitress overcharging you ...I thought we going to jail.... sleep well my friend and I am so sorry for not being a better to you but I thought I still had time.I still go into the group A_team looking for a silly post or comment from you. LOVE you see you on the other side. Adrienne Morgan

“ I just dont know what to say. Everyone know we had a love hate relationship. But at the end of the day we were always friends and I always wanted to drive by your house and throw chicken biscuits at you and play Pokemon Go in the park

*Don't cry for me.
I will be okay.
Heaven is my home now,
and this is where I'll stay.*

*Don't cry for me.
I'm where I belong.
I want you to be happy
and try to stay strong.*

*Don't cry for me.
It was just my time,
but I will see you someday
on the other side.*

*Don't cry for me.
I am not alone.
The angels are with me
to welcome me home.*

*Don't cry for me,
for I have no fear.
All my pain is gone,
and Jesus took my tears.*

*Don't cry for me.
This is not the end.
I'll be waiting here for you
when we meet again.*

“ *I miss you Brian. I miss our running argument about whether or not you could leave the house. Who is going to call, text, or comment on my Facebook to tell me how old I am. But most of all I miss laughing with you about the crazy going ons. I Love You.*
