“ I can't believe this beautiful woman is no longer with us. I will miss her more than words can express. She was a delight to just be around her. She was smart, caring, loving, gifted and compassionate. May she Rest in Heavenly Peace. My condolences and prayers to her family. 🙏

Bricia was my friend in high school. She was kind and generous having given me a sweater in a bright color cause she thought I wore my colors to dark. She was bold and courageous as she spent two years overseas finding new and better opportunities. She withstood hardships like a trooper. She was also the former secretary of First Baptist North Chicago, Illinois prior to relocating to Georgia. She loved, loved to do remodeling on her house. I love you Bricia and God Bless your family. So much love Carole Stewart

“ To Bricia Sullivan's entire family: On behalf of Lovie Whitfield of Waukegan, Illinois, we extend our deepest sympathies. Bricia and Lovie were co-workers as well as friends. Lovie respected Bricia's boldness, courage and sense of adventure. Bricia and Lovie, along with their friend Carole, and others loved to party back in their heyday - so much so that I dubbed their group "The Jet-Set"! Rest in peace, Bricia, and may God continue to comfort the family. God Bless,
Cynthia Collins (Daughter of Lovie Whitfield)

To the Sullivan Pullum sanders family. I will certainly miss my dear friend Bricia. Meeting in high school , I thought Bricia was rich with all those Pennie's sitting on each arm of her couch. She wore such vibrant colors and even gave me a teal sweater cause I wore my colors too dark. We were in home economics and choir together. We went to college together and worked together. When we grew up, we ran together along with our friend Lovie. We loved fun. Bricia' s last words on the 10th of November we “condolences for my son's passing,” to my friend you're always loved as well as the family. Love and God Bless you all.
